PROFESSIONAL PROFILE

Cambodian-American education and project-support professional with experience across NGO volunteer coordination, international education advising, school leadership, bilingual communication, and community-centered learning. Coordinated 50+ international volunteers per cycle at Angkor Hospital for Children; guided Cambodian students and families through education pathways at IDP Education; and supported school operations and student progress as Vice Campus Principal and English Program Lead. Hands-on content creator with advanced Canva skills and experience planning social media and video content campaigns. Currently pursuing an M.Ed. in Educational Technology and Instructional Design, with a strong commitment to youth literacy, school partnerships, and hands-on education project work in Cambodia.

CORE STRENGTHS

- Project & event coordination — activity planning, timelines, task coordination, documentation, and program reporting
- Stakeholder & partner engagement — schools, NGOs, embassies, donors, families; cross-cultural collaboration with international HQ teams
- Content & campaign support — advanced Canva design, social media and video content planning, learning materials, storytelling
- Bilingual Khmer–English communication — clarity, confidentiality, cultural sensitivity, and professional reporting in both languages

RELEVANT EXPERIENCE

Volunteer Program Coordinator Jan 2018 – Jul 2018

Angkor Hospital for Children (NGO) — Siem Reap, Cambodia

- Coordinated 50+ international volunteers per cycle — planning schedules and activities, managing onboarding and orientation, and supporting adjustment to living and working in Cambodia.
- Managed communication among NGO leadership, embassy contacts, donors, and hospital stakeholders in a multicultural, child-centered environment.
- Maintained program documentation and follow-up, supporting smooth day-to-day operations of a community-facing program.

Senior Education Counselor Nov 2014 – Oct 2016

IDP Education Cambodia — Phnom Penh

- Advised Cambodian students and families on international education pathways — program selection, applications, documentation, visa guidance, and pre-departure planning.
- Planned and supported education fairs and recruitment events; coordinated with 30+ university partners and internal teams while maintaining accurate records.
- Built deep working knowledge of student needs, family expectations, and barriers to education access in Cambodia.

Vice Campus Principal / English Program Lead Aug 2018 – Mar 2019

Arizon School (International Bilingual) — Siem Reap, Cambodia

- Supported campus operations for 200+ students — coordinating staff tasks, monitoring student progress and attendance, and organizing student-facing school activities and events.
- Prepared academic reporting for leadership and facilitated communication between international faculty, Cambodian administration, students, and parents.
- Identified struggling students and coordinated practical interventions with teachers and families.

Video Remote Interpreter — Khmer/English Jun 2021 – Jan 2026

AMN Healthcare / Stratus Video — United States

- Delivered 1,000+ high-stakes Khmer–English sessions in healthcare and legal-adjacent settings with strict confidentiality, accuracy, and cultural sensitivity.
- Practiced plain-language explanation, active listening, documentation awareness, and calm communication in complex, emotional situations.

CONTENT CREATION & CAMPAIGN EXPERIENCE

- Founder of an independent publishing and lifestyle brand: designed the full brand identity and product layouts in Canva, and planned social media content and video campaigns across TikTok, Instagram, and Pinterest.
- Author of a reflective nonfiction book — strong writing and storytelling for reports, learning materials, and community-facing communication.

SELECTED LEARNING PROJECTS

- SALA Pathways — bilingual youth career-guidance concept for Cambodian learners, with attention to rural access and practical decision-making.
- Khmer LEP Health Education Toolkit — culturally responsive, plain-language learning materials concept for Khmer-speaking communities.
- Community Reading & Literacy Activity Concept — activity design supporting children's reading confidence, vocabulary, and access to books in schools, libraries, and NGO settings.
